

## Walk The Strawberry Walk - Sunday 4th September 2016

Please join us at Royal Victoria Country Park on Sunday 4th September 2016. Registration is between 11am—1pm. Meet us under the Gazebo by the main chapel building. There will be two walks, one approximately 6 miles around the coast of Hamble, or the short cut walk of approximately 4 miles, where you will be guided by the ribbons on route. For the less energetic, why not just walk the Royal Victoria Country Park. This may be a better walk for the less mobile and children, pushchairs and dog walkers, but at least you can be involved. The registration fee will fund families and individuals living with cancer. Should you wish to raise more on the day, we will provide sponsor forms to those who would like to get sponsorship, just let me know.

The fee is £10.00 per walker, children under 12 and dogs are free. The price includes your special number on registration, a bottle of water, with strawberries and cream at the finish line. Walk for your loved one whilst raising money to help make a difference. There will be entertainment from Tony Hyams, our Magic Balloon Man and our own mascot, Wellie the Elephant.

Please wear Yellow, Green or Lilac/purple for the walk to add some colour. Register on the day or send in the slip below or transfer your £10 fee.

Thank you for your support!
